Quality management systems

Online Seller Support
TikTok, Amazon, Instagram & DTC

CAPSULES, PRIVATE LABEL & SCALE-UP

From formula to finished bottle — built for launch and repeatable growth.

Whether you are building a new capsule SKU or scaling an existing formula, GIH provides the manufacturing discipline and operational support brands need to move with confidence.

- ✓ **Custom & private label capsule programs**
Support for proprietary blends, brand-ready packaging, labeling, and repeatable batch planning.
- ✓ **Marketplace-ready execution**
Experienced support for Amazon sellers, TikTok Shop sellers, Instagram sellers, Shopify/DTC brands, and online marketplaces.
- ✓ **Compliance-forward production**
NSF GMP 455-2 certified positioning, FDA registered operations, GMP practices, and ISO 9001:2015 quality management.
- ✓ **Beyond manufacturing**
Inventory management, warehousing coordination, and 3PL services help brands move from production into sales channels.
