GUMMIES, FLAVOR, TEXTURE & BRAND EXPERIENCE

A stronger gummy program starts with disciplined production and beautiful presentation.

GIH helps wellness brands produce gummies that can stand up in modern ecommerce, retail, influencer, and marketplace environments.

- ✓ **Gummy production support**
Manufacturing support for supplement gummy programs with attention to consistency, appearance, and scale.
- ✓ **Packaging that sells**
Bottle, jar, and retail-ready presentation that helps products feel established on digital shelves.
- ✓ **Online-seller friendly**
Built for TikTok Shop, Amazon, Instagram, Shopify/DTC, influencer brands, and other fast-moving channels.
- ✓ **Operational follow-through**
3PL services and inventory management help brands keep product organized after production.
